STAT

SUBJECT: Revision of DCIDs 1/7 and 1/20

REFERENCE: My Memo SECOM-D-320, Dated 20 September 1982

Reference provided members draft revisions of DCIDs and 1/7 and 1/20, and advised that a formal vote on them would be taken at the 17 November 1982 SECOM meeting. Because of the anticipated absence of key members at that meeting, I am now asking for vote sheet action on these drafts. Please complete the blocks below and return this sheet to me by 12 November 1982.
